Dear Guest,

Due to rough sea conditions in Kauai, **our operator has informed us that the Na'apali Explorer Tour location has been changed.** The new tour location is Kipu Kai. This is the South Shore coastline which provides excellent scenery and snorkel spots.

If you have any further questions or queries regarding this matter please feel free to visit us at the Shore Excursions desk from 9am to 12pm today.

We hope to provide you with excellent service throughout your cruise.

Regards,

Your Shore Excursions Team
